The Rising Sun: The Decline and Fall of the Japanese ...

The Rising Sun is a deserved classic, one of the first popular accounts of Japan's side of the Second World War. Toland takes us from the highest levels of Toyko policy-making to the frontlines of the deadly island battles of the Pacific campaign, humanizing an enemy that was derided in racist terms during the war.

Toland uses interviews with surviving eyewitnesses and documents like soldiers' letters and diary entries to deepen our understanding of Japan's layered past and provide a humanistic perspective on how this Axis power perceived the war. The Rising Sun is a thorough, awe-inspiring, and empathetic history and a deeply satisfying read.
