A cold war is a state of conflict between nations that does not involve direct military action but is pursued primarily through economic and political actions, propaganda, acts of espionage or proxy wars waged by surrogates. This term is most commonly used to refer to the Soviet-American Cold War of 1947-1991. The surrogates are typically states that are satellites of the conflicting ...

War breaks out in Tigray. The early days of the conflict were filled with confusion. Government forces were overwhelmed in some locations and thousands of troops taken prisoner, according to accounts from soldiers that trickled out. Radio communications were cut, and some Tigrayan soldiers serving in the military turned on their comrades, government and military officials said.
