The Kids Are Alright is a soundtrack album by the British rock band The Who, a companion to the band's documentary film of the same name. As a compilation album, it serves as a retrospective look at the band's biggest hits throughout their career to the point it was released. Most of the tracks are live recordings, rather than the original studio versions. It was originally released as a ...

Kids will still click on and see them just because it's about their favorite show. Thankfully, most kids who watch films not intended for their age grow up and don't have traumatized existences. They simply ignore what they don't understand, and when they do they will

often love the film for showing those themes since they never saw anything ...
